

# HALO Status Colloquium 2021

14–15 September 2021 | Online

## Call for Posters and Breakout Topics

We call for contributions to the HALO Status Colloquium 2021. Posters are highly welcome for virtual, interactive presentations. The poster contributions will be grouped into the scientific sessions listed below.

- Sessions:**
- I Aerosols, Clouds, and Precipitation
  - II Transport and Dynamics in the Troposphere and Lower Stratosphere, Atmospheric Coupling Processes
  - III Transport and Transformation of Chemical Composition
  - X Further Topics

Please **submit** your **poster abstract** as **PDF** by **18 June 2021** to [anja.schwarz@uni-leipzig.de](mailto:anja.schwarz@uni-leipzig.de) using the template at <http://www.halo-spp.de/Calls/> and indicate in your e-mail to which session (I, II, III, X) your poster contribution would fit best.

Furthermore, we will conduct several breakout groups for specific topics or HALO campaigns. Please **contact** [anja.schwarz@uni-leipzig.de](mailto:anja.schwarz@uni-leipzig.de), if you would like to act as leader in such a **breakout group**.
